## Advance Praise

for *Little Traverse Bay, Past and Present*

“ I’ve often wondered what it would have been like to walk the streets of Petoskey in the late 1800s or early 1900s. Federspiel and Zeiss have given me that experience through the rich photographs and insightful text of this great book. It’s like a step back in time. ”

—**Carlin Smith**, president of the Petoskey Regional Chamber of Commerce

“ This book serves not only as a charming connection between past and present but also as a ringing endorsement for the continued preservation of our shared Little Traverse Bay history. Readers will certainly enjoy this pictorial journey through time. ”

—**Mary Cummings**, executive director of the Harbor Springs Area Historical Society

“ Michael R. Federspiel knows the history of Little Traverse Bay, and he knows a good story. Rebecca Zeiss is an amazing photographer. Together they create a volume that is accurate, beautiful, and a must read. ”

—**Frank J. Boles**, director of the Clarke Historical Library, Central Michigan University
