

Advance Praise

for *The People's Lawyer*

“ Frank Kelley is a man of integrity with whom I had an excellent working relationship for my entire time in Lansing, especially my fourteen years as governor. We represented different parties, but we both understood that governing is about more than partisanship. Throughout his career he consistently stood for the best interests of the people of Michigan. This book is a fascinating account of the life and times of a man I am proud to call my friend. ”

—**William G. Milliken**, 44th governor of Michigan

Frank Kelley reveals inside stories of political and personal battles in a manner that is at once fun and inspirational, candid and vivid—just like the man himself. In *The People's Lawyer* we are a witness to history through the eyes of one of the greatest public servants of all time. ”

Every young lawyer who reads it can learn from the commitment to the law and to justice of our nation's longest-serving attorney general. The book is engaging, direct, and honest—just like Frank Kelley. His story shows how a determined public servant, dedicated to the law, can help protect our consumers and help make our world a place that is fairer, with an environment that is cleaner. *The People's Lawyer* will inspire lawyers of all ages to engage in some form of public service. ”
